MISS GAYLE PARKER

Bay Girl Is Queen Of Rodeo

A former Hancock County Forestry Queen will reign over the 1960 Mississippi Deep Sea Fishing Rodeo July 1-4 in Gulfport.

Brown eyed Gayle Parker, 18-year-old daughter of Mr. and Mrs. Leo Parker of Bay St. Louis, was selected Thursday night by the local American Legion post to preside over the gala event. She was the county choice in 1957 as forestry queen.

Selection of the queen is rotated among coast municipalities and Bay St. Louis claims the honors this year, according to Robert L. Rice, president and general chairman of the event. Not only will Miss Parker be official hostess at the Gulfport activities which were founded by the Gulfport Legion unit and has grown into a national event, but she will represent the Rodeo at other state and national functions.

Last year's queen, Miss Joyce Halat of Gulfport, appeared on the Dave Garroway television show in New York, and attended the national Legion convention and other activities in Chicago, Ill., and Miami, Fla., according to Bay St. Louis Mayor John Scaife, who said similar plans are being made for Miss Parker.

A freshman at Pearl River Junior College at Poplarville, she is vice president of the Young Women's Association, a Christian youth group, and a member of the Women's Student Government, the junior college band and annual staff.

She was graduated from Bay High school last year, where she reigned as Carnival Queen her eighth grade year. A member of the First Baptist Church of Bay St. Louis, she was president of her Sunday School class.

BAY HIGH SCHOLARS - Taking top scholastic honors in Bay High's graduating class are Bill Watts, salutatorian, and Mary Ann Pahlman, valedictorian.

Pahlman, Watts Honor Graduates

Two Bay High seniors who tied for valedictorian when graduated from the eighth grade have taken the two top scholastic honors in this year's graduating class.

Mary Ann Pahlman, daughter of Mr. and Mrs. L. S. Pahlman, has been named valedictorian while Bill Watts, son of Mr. and Mrs. J. W. Watts Jr., will be salutatorian. Both will be honored at graduation ceremonies next month.

Final averages are incomplete until the last grades are received, according to Principal Donald Caldwell. These honors were based on grades throughout the high school years up to the last six week period.

Named top scholars in this year's eighth are Dorothy Estapa, daughter of Mr. and Mrs. Bert Estapa, valedictorian, and Carol Ann Fayard, daughter of Mr. and Mrs. Frank Fayard, salutatorian.

Martin School Supply Co. of Jackson was successful bidder for all necessary furniture for North Bay Elementary School, Waveland School lunchroom and Valena C. Jones addition, having been awarded the contract Thursday following a special meeting of the board of trustees of the Separate Municipal School District.

After a discussion of the merits and prices of the various desks, chairs, tables, etc., that had been submitted, the board voted three to one in favor of the Martin company. Members agreed unanimously on every item except desks. Trustee Maurice J. Artigues voting for the type offered by the Bay-Miss Supply Co. Trustees Robert Hamilton, J. W. Watts sr. and Wayne Allison voted for the Martin Company.

Trustee Dr. W. P. Henderson was unable to attend the meeting. Delivery of 60 days had been promised when bids were opened April 11.

Because of the numerous samples submitted by five bidders, action was deferred until Thursday to enable members to examine the furniture more

Wednesday is B Day for County, Give a Pint to Your Blood Bank

A blood drawing will be conducted at the Youth Center, Ulman Avenue, Wednesday, April 27, from 2 p.m. to 8 p.m. Plans were completed at a meeting of the Hancock County Blood Bank Monday at the Center where it was said that an emergency existed in that as of April 18 only 16 pints of blood were available, the smallest reserve ever recorded by the bank. Everyone is asked to donate blood at this time including persons between 18 and 21 who can donate with their parents' consent.

Anyone needing transportation is asked to call HO7-6733 in Bay St. Louis. Residents of Kiln may contact the Rev. Celestine Pfannestiel or Eugene Dillman, who will be at O'Toole's Gulf Station after 1 p.m. Wednesday, for transportation to the Youth Center.

Local Pastor Driver In Mishap, 2 Killed

A Gulfport Negro woman and her eight-year-old son were killed instantly about 8:15 p.m. Sunday when they were struck on Highway 49 near the Gulfport city limits by a 1953 Ford driven by the Rev. Kermit Rouse Jr. of Clermont Harbor, Methodist minister.

Mrs. Helen Pettis and her son, Edward, were pronounced dead on arrival at Gulfport Memorial Hospital.

Mr. and Mrs. Rouse, a passenger in her husband's car, escaped injury but were treated for shock. They are now with his parents in Saucier and are expected to return to Clermont Harbor this week.

No charges were listed against Rouse and the accident was termed unavoidable by investigating officials and witnesses.

Rouse was headed south on the highway when the woman with her child in her arms dashed in front of him.

Weston Heads Mental Health Fund Campaign

Harold B. Weston of Bay St. Louis has been named Mental Health Bell Ringer chairman for Hancock County, according to the state fund-raising campaign chairman, William F. Winter. District Chairman A. E. Spradley of Gulfport states that a \$40,000 goal has been set to meet the needs for mental health in Mississippi.

"Prospects for controlling mental illness in Mississippi are brighter," said Weston, "but we will need the help of every resident of Hancock County if we are to conquer mental illness."

"The Mississippi Association for Mental Health supports research to treat, cure, and prevent mental illness as well as disseminating reliable information on mental illness," Weston continued. "The funds derived from the 1960 campaign will be used to help the more than 7,000 Mississippians who are now patients in Mississippi mental institutions and hospitals get on the road to good mental health sooner. A positive program of

Syndicate Tie Seen

Mississippi and Florida were yesterday identified in New York as two Southern states with offshoot syndicate gambling operations tied together in a regional operation covering 14 other states. Specific areas of Mississippi with which upstate New York bookmakers have connections were not identified. Other states alleged to have bookies tied in with upstate New York gangsters are Connecticut, Massachusetts, Rhode Island, New Hampshire, New Jersey, Pennsylvania, Maryland, Delaware, Ohio, Michigan, Kentucky, Illinois, Iowa and Minnesota.

A New York state commission investigating gambling opened with testimony by assistant com-

mission counsel William D. Walsh that a gambling network extends from New Hampshire to Kentucky and from New Jersey to Iowa with offshoots in Mississippi and Florida. He testified that New York City bookies operate outside the network. According to Columbia Broadcasting System Walsh also stated that these operations were detrimental to the economy of the area in which they were carried on.

Ask Easements For Kiln Road

New easements of 100 feet, 50 feet from the center line on each side, will have to be obtained by Hancock County Supervisors on Highway 603 from U. S. 90 to Kiln before state construction work can begin on the new roadway.

Board President R. G. Hubbard Jr., member from Beat 5 in which part of the reconstructed roadway will be, reported that state highway officials told him Tuesday morning by telephone the board can begin obtaining easements as soon as property abstracts now being prepared by the department are finished.

He said the department noted it was a little behind schedule but that everything is working out nicely.

The former board had originally obtained property easements of 80 feet, Hubbard commented, but these will have to be discarded now.

He said he did not expect any trouble in obtaining the additional easements since residents on the highway need the new road very badly.

At Monday's session the board reached a satisfactory delivery agreement with Bay Ready-Mix Concrete Co., holder of the county's contract for cement, and approved bids for \$2,393.87 worth of supplemental equipment for the new Hancock General Hospital.

A representative of Bay Ready-Mix said that if the supervisors ordered cement at least one day before delivery that it would be delivered which was deemed agreeable by the board.

Bids were awarded on seven items classed as office equipment while no bids were received on an electro-dermatome slated for laboratory use. Hospital Administrator Tom Logue was authorized to purchase the machine at the best price given by two Mississippi companies which handle the equipment.

In other matters the supervisors unanimously agreed to have Clerk Claiborne Ladner write International, Gaylord and St. Regis paper companies to have their local employees stop discarding brush and limbs in county maintained road ditches.

Board President R. G. Hubbard Jr. said he had spoken per-

Jackson Ridge Dredging Asked

Efforts are under way by the Hancock County Chamber of Commerce to dredge a shallow channel leading into the Jackson Ridge site being contemplated by the 377th Transportation Terminal Command C as its outpost training site for summer maneuvers.

A. G. Dantagnan, chamber president, was notified yesterday by the command headquarters in New Orleans that the water at the site under consideration in the county is not deep enough to handle the water craft and immediately met with Mayor John Scaife and the Bay St. Louis City Commission to consider the situation.

An appointment has been made to meet with the board of supervisors Monday morning to discuss the feasibility of spending county funds to do the necessary dredging. If this proves unsuccessful, Dantagnan said he will ask local merchants to help raise the sum necessary to get a deep enough water bottom. He noted the economic benefits which would accrue to the county should Jackson Ridge be chosen for the outpost training site, with more than 800 men from Louisiana, Texas and Arkansas coming for the summer maneuvers, many of them bringing families to the area.

The letter from Col. Frank X. Armiger, chief of staff for the command, indicated that both he and Gen. deLesseps Morrison are deeply interested in the local site with the water depth situation the sole barrier to its acceptance. The present level is believed unsafe to operate craft in and General Morrison has requested a dredging of the situation. This will be made by the support unit personnel sometime in May.

"Everyone here is hoping that the dredging will reveal that the outpost can be established at that location," Armiger wrote. "If not, it is probably the units will have to go back to Ship Island," Morrison also asked the chief

Waveland Beach Law Is Delayed

Waveland Town Council, at a meeting Tuesday night recessed from the April 5 regular session, went over a draft prepared by Town Attorney Dan M. Russell Jr., of an ordinance regulating pier construction in connection with a proposed clean up campaign of Beat 5 beach fronts.

Mayor Garfield Ladner told the aldermen that Russell had suggested no ordinance be adopted until the state legislature passed a proposed local bill dealing with the matter, and council deferred enactment of any law until after the legislature acts.

Two new street lights were authorized, one on Garden Street and one in the Woodland subdivision, and road work on Vacation Lane, Garden, Meadow and Davis Streets was tentatively authorized. In addition certain repairs to Market Street were considered and a meeting with County Engineer Enos Kennedy is being sought by the mayor and aldermen.

Present at Tuesday night's meeting were Mayor Ladner, Aldermen Albert Grass and Dominick Sonier, Town Clerk C. O. Duour and Town Marshal Fred Bourgeois.

Walsh testified: "The law enforcement approach to gambling has not changed measurably in 30 or 40 years. It is the gamblers, not the law enforcement authorities, who make progress."

Walsh complained of fines as light as \$25 for habitual gamblers, and said these are accepted as a business expense in the trade and amount to less in many instances than liquor licenses pay to operate legitimately.

"Many judges do not understand the problem," Walsh added. Turning specifically to the upstate New York area from Troy, he testified Walsh claimed that about 100 bookie operations there grossed more than \$100,000 a year, with an average of \$44 for the estimated 475,000 million residents of the state.

He estimated the net take to bookies from these operations alone as 25 million dollars a year.

Walsh testified: "The commission's investigation definitely established a loose, but nevertheless smoothly operating and continuous network of organized illegal, professional book-making activities among 14 states in the northeastern United States."

He testified that the bookies were not only active in New York, but also in New Jersey, Pennsylvania, Delaware, Maryland, Virginia, North Carolina, South Carolina, Georgia, Florida, Alabama, Mississippi, Louisiana, and Texas.

J. BLANC MONROE

J. Blanc Monroe

Services were today in New Orleans for J. Blanc Monroe, 80, New Orleans and Beach Boulevard resident, who died Wednesday morning in New Orleans.

Morning classes at Tulane University were suspended in memory of Mr. Monroe, who at the time of his death was second vice president of its board of administrators and chairman of the board of the Alton Ochsner Medical Foundation.

Rites were from the family home, 12 Audubon Place, at 11 a.m. with interment in Metairie Cemetery.

He is survived by two sons, J. Rabun Monroe and Malcolm Logan Monroe, of New Orleans; five sisters, Mesdames S. S. Labouisse, Gustaf Westfield, T. Muldrup Logan, John T. Chambers and George E. Williams, all of New Orleans; three brothers, James H. Monroe, New York City, and William B. Monroe and Frank Adair Monroe Jr. of New Orleans, six grandchildren and one great-grandchild.

President of the board of liquidation, city debt and an attorney, he was active in many civic affairs. He belonged to the Louisiana Society, Sons of the American Revolution, the Mayflower Descendants, the National Economic League, the Bureau of Governmental Research, the Louisiana Historical Society, among others.

He was also a member of the Boston Club, the New Orleans Country Club, the Lake shore Club and the Bay-Waveland Yacht Club.

He was married to the former Mabel Overton Logan who died August 30, 1956.

Active pallbearers included Samuel S. Labouisse Jr., Monroe Labouisse, George Williams, Herbert Williams, Frank A. M. Williams, John T. Chambers Jr., William B. Monroe Jr. and Dr. Samuel Logan.

TO APPEAR HERE - James Carroll will be featured along with Tommy Allen's winning play at the American Legion dance from 8 p.m. until midnight Sunday at 1000 E. Main Avenue.

Jaycee Extension Team Adds 2nd Unit

A new world record is believed to have been established with the organization of the Long Beach Jaycees by the Bay St. Louis chapter extension team headed by Tom Logue, chairman. This is the second chapter organized in less than three months of the team's existence, the Pass Christian Jaycees having been formed earlier in the year.

Final organizational meeting of the chapter was conducted Monday at Long Beach City Hall. Robert E. Johnson, Long Beach druggist, was unanimously elected president and a charter banquet set for 8 p.m. April 30 at a place to be selected by the banquet committee.

Members of the extension team are Chairman Logue, Michael Haas, Dr. F. L. Schmidt, E. J. Marengo, Carlos Arnoldi, Dr. A. K. Martindale Jr., David Treutzel, Andre Arceneaux and Harold Sancier.

Bus Station Hours Changed

The Greyhound bus station on Ulman Avenue will be open from 5:30 a.m. to 5:30 p.m., seven days a week starting today, it was announced by F. M. Rapier, proprietor. It will be closed daily from 11:30 a.m. to 1 p.m. for a lunch period.

Rapier said the new hours were scheduled in response to numerous requests from local and out of town persons and is planning on extending the service even more so the terminal will be open for arrival and departure of nearly all busses.

Hancock, Harrison Softball Play Set

An all-day softball tournament between teams from Hancock and Harrison Counties will take place Sunday at St. Stanislaus. Admission is free and various entertainment and games are scheduled including cakewalks as well as food and drinks. There will be prizes and the winning team and runner-up will receive trophies.

The tourney is sponsored by the Bay St. Louis Softball League and proceeds will be used to meet expenses of the coming season such as umpires, scorekeeper, improvements to the field and a permanent public address system.

Fans can get a preview of how the teams shape up this year and president Bert Stieffell urges everyone who enjoyed the league's games last year to attend the tourney. All members of the

Tung Nut Fete Slated Sunday

A tung nut blossom festival and dance will be held Sunday at the Robert Hudson home near Necaise Crossing for the benefit of the White Cypress church. A program is scheduled from 2 to 5 p.m. with a 75 cent dinner being served.

The dance, when the queen will be crowned, will be at the Kilo Youth Center beginning at 8 p.m. All nominations for queen must be made before 5 p.m. Sunday and the queen must be a student in grades 10, 11 and 12. It is planned to hold the festival annually.

Trapani's is top seeded with Stieffell's occupying the second slot. Competition begins at 9 a.m. with Bay Youth Center vs. Meyer's; 10 a.m., Carter's IGA vs. Kilo Youth Center; 11 a.m., Ringer's vs. Regal; 12 noon Gulf Coast Express vs. V and M; 1 p.m., Trapani's vs. winner of Bay Youth Center - Meyer's; 2 p.m., Stieffell's vs. winner of Carter's IGA vs. Kilo Youth Center; 3 p.m., semi-finals, top bracket; 4 p.m., bottom bracket; finals will be at 5 p.m.

Rocks' Errors Cost Them Lose

St. Stanislaus' baseballers chalked up five hits to eight for the Gulfport Commodores Tuesday but a flock of errors put them on the short end of a 14-3 score.

Pat Mashburn started on the mound for the Rocks and was relieved in the third by Finley Hewes who also got a hit. First

baseman Terry Ladner was the Rocks' star slugging out three hits. Stanislaus got one run in the third on a walk to J. E. Loiscano and singles by Ladner and Louis Genard. They got another in the fifth when Babin went safe on an error, moved to third on passed balls and scored on a sacrifice fly.

YER' OUT - Youth Center player tries to stretch a double into a triple but is out at third during a practice game Sunday with Trapani's at Municipal Park.

The final tally came in the seventh when Ronnie Artigues walked and raced for home on Ladner's solid double. Winning pitcher was Stanislaus' loser Mashburn.

MOORE AND POWELL
Certified Public Accountants
231 Main Street
Biloxi, Miss.

Honorable Board of Mayor and Aldermen
Town of Waveland, Mississippi

Gentlemen:

Pursuant to our employment we have made an audit of the fiscal records of the Town of Waveland, Mississippi, for the year ended September 30, 1959.

SCOPE OF AUDIT

The audit covers the general town funds and the water and natural gas system funds. We have traced all receipts of record in the town funds to the depository accounts for these funds and in the utility system we applied such tests checks to the collections, receivables and billings as we deemed necessary. We compared vouchers to disbursements and compared the allowances as shown by the minute book to the expenditures. Our audit was made in accordance with generally accepted auditing standards and included such tests of the accounting records, and other auditing procedures as we deemed necessary in the circumstances.

GENERAL TOWN FUNDS

The town is in a current financial position. There were no past due bills of which we have any knowledge.

All maturities of bonds and interest have been paid as presented and bonds and coupons due but not presented for payment have been accrued and a reserve has been charged against the bond and coupon balance for the outstanding bonds and coupons.

We believe the revenues and expenditures for the ensuing year have been budgeted in such a manner as to maintain the current financial position.

The bonded indebtedness at the close of this fiscal year 9/30/59 was \$605,000.00 as compared to \$518,800.00 at the beginning of the year. Of this amount of \$605,000.00 there was outstanding \$355,000.00 in Water and Gas System bonds of which the principal and interest is payable solely from the revenues derived from the water and gas system. The balance of \$150,000.00 of the bonded debt supported by the full faith and credit of the town amounted to 6.43% of the assessed valuation for 1958 taxes.

UTILITY SYSTEM AND FUNDS THEREFOR

The accounting records of the water and natural gas system are kept on an accrual basis, whereas the other town funds are kept on a cash basis. The exhibits and schedules herein have been prepared on the same basis. No inventory of materials and supplies were taken.

The board of Mayor and Aldermen adopted a rate increase for the sale of gas by the utility system, such increase effective October 1, 1959. At the time of the budget meeting with the board in September of 1959 we reviewed this matter with them. It appears that this increase was essential to the continued successful operation of the utility system including the obligations for debt service, etc. As mentioned on page 2 of our audit report of last year the wholesale rates had gone up 48.95%. There was a further increase in wholesale rates effective October 1, 1958 from .283 per MCF to .296 per MCF. We set out below a recapitulation of the rate increases for the sale of gas by the Town referred to above.

Rates effective for year ended September 30, 1959.

There has been an increase again this year in the number of customers served by the water and gas system. Below is shown the number of customers at the close of this fiscal year as compared to September 30, 1958.

| | Water | Gas | Total |
|------------------------------|-------|-------|--------|
| September 30, 1959 | 921 | 695 | 1616 |
| September 30, 1958 | 856 | 607 | 1463 |
| Net gain over prior year | 65 | 88 | 153 |
| Percent gain over prior year | 7.6% | 14.5% | 10.06% |

ASSETS AND OTHER DEBITS-UTILITY

Addition to the fixed assets of the utility system amounted to \$6,737.86. (See schedule 1). An item not reflected in the fixed assets were the extension of mains to property lines of new customers. The customers paid for the pipe, the town furnished the labor for laying the mains and the customers signed an agreement giving full title to the lines to the water and natural gas system. Paid and materials sold to customers for this purpose amounted to \$2,548.57. (See Schedule 2).

We believe the reserve or depreciation of the fixed assets is adequate for this utility system. (See Schedule 1).

Respectfully yours,
MOORE AND POWELL

These funds consist of amounts deposited by services (water and gas meter deposits), a special fund the Union Planters National Bank, Trust Department, Tennessee, for the payment of interest and principal due and outstanding, and special funds as required by covenants.

In the fiscal year ended September 30, 1959, \$14,000.00 from the contingent fund for emergency repairs in amount is to be repaid to this fund and is carried in the contingent fund and a payable from the water and gas system and maintenance fund.

The special trust fund for the payment of current interest and bonds in the amount of \$9,498.75 is interest as follows:

| | |
|------------------------|----------|
| Coupons due and unpaid | |
| Coupon #1 due 10/1/54 | 23.75 |
| Coupon #2 due 4/1/55 | 23.75 |
| Coupon #3 due 10/1/55 | 23.75 |

| Coupon #7 due 10/1/57 | 95.00 |
| Coupon #8 due 4/1/58 | 85.00 |
| Coupon #9 due 10/1/58 | 166.25 |
| Coupon #10 due 4/1/59 | 432.50 |
| Coupon #11 due 10/1/59 | 955.00 |
| Total | 8,543.75 |
| | 9,498.75 |

The deposit of certain amounts to the special fund required by the bond covenants. The requirement of interest fund was met. An additional \$3,000.00 in excess required amount was deposited to this fund reducing the deficiency from \$4,000.00 at September 30, 1958 to \$1,000.00 at September 30, 1959. However the required amount of interest cushion fund, and the depreciation fund, were in the total sum of \$5,000.00. We refer your attention to a detailed comparison as to the requirements and actual paid into the fund.

Although the bond covenants were not met in full the current fiscal year there is in the bond and interest fund and interest cushion fund at September 30, 1959 sufficient pay maturities of bonds and interest for the current year.

The amount items as shown on the balance sheet (Exhibit "E") is of the total expense remaining after being reduced by prior years amortization.

LIABILITIES AND OTHER CREDITS-UTILITY SYSTEM

Long Term Debt
The bonded indebtedness of the utility system is represented by a bond issue dated April 1, 1954 for a total of \$518,800.00. The balance of \$150,000.00 or a balance of \$355,000.00 is to be paid solely from the revenue of the water and gas system. The bonds are of \$1,000.00 denomination and interest as follows:

| | |
|------------------------|----------------------|
| Nos. 16-22 inclusive | 7,000.00 at 4 1/2% |
| Nos. 23-273 inclusive | 251,000.00 at 4 3/4% |
| Nos. 274-370 inclusive | 97,000.00 at 5 1/2% |

Interest is payable on April 1st and October 1st of each year. Bonds numbered 80 to 370 inclusive are callable in whole or in part after, at par and accrued interest plus a premium of 10% of the face value of the bonds.

Current and Accrued Liabilities

All bills for services rendered or supplies furnished during the year 1959 or prior months, of which we had any knowledge, were paid or accrued as were salaries earned and not paid.

OPINION-(ALL FUNDS)
In our opinion the funds have been honestly handled and the accounts are in accordance with the financial records for the fiscal year ended September 30, 1959. We have attached exhibits and schedules properly prepared and expenditures for the year as well as the financial statement of the Town as of September 30, 1959.

Miss Perniciaro will be married at 2 p.m. May 15 at Our Lady of the Gulf Catholic Church to David C. Dillinger, of Ft. Lauderdale, Fla.

Hostesses for the event were her two sisters, Madames John Mauro and Henry Pulizzano, her sister, Mrs. Fabian Biquel Jr., and Miss Helen Saucier.

Each member of the bridal party received a silver charm after pulling a white ribbon tied with a love knot from the center of the pink and white tiered cake. A dainty bride doll with a lace umbrella decorated the top of the cake which was at one end of the serving table. The table was centered with an arrangement of white tapers and crystal candelabra and a large punch bowl was at the other end.

Pink and white colors were used with masses of greenery, bridal wreath and lilies of the valley in the center. Another umbrella was suspended over the bride-elect's table and gifts were delivered to her by her bridesmaids, Misses Margaret Pulizzano and Dominica Morreale.

Miss Perniciaro received about 60 guests in a princess styled tulle gown of blue plaid cotton with black accessories. Her corsage, a gift of the hostesses, was of white carnations. Her mother chose a dress of pink sheer with a pink rose corsage.

Mrs. Davie Kelly received the prize, a china Madonna.

Full Sale Data On Wool Market Needed for Aid

With the 1959 wool marketing year coming to a close and the 1960 year beginning growers are reminded complete records on their sales of wool and unshorn lambs must be kept. Producers will be eligible for payments for the 1959 marketing year for wool and unshorn lambs marketed not later than March 31 of this year. Later marketings will be eligible for payments for the 1960 year.

The Hancock Agricultural Stabilization and Conservation County Office reminds growers that sales documents must show the true net sales proceeds, including deductions made for freight and other marketing charges. Where false information is filed, both the producer and the wool buyer are subject to penalties.

Applications for payment under the 1959 program must be filed at the ASC county office by April 30. The average price received by farmers for wool during the entire marketing year can then be calculated and the payment rate announced. Payments will be made in the summer.

For the 1958 marketing year, 48 sheep growers in Hancock County received net shorn wool payments amounting to \$1,603,773, after deductions withheld for the growers' contributions to a fund for promoting the use of lamb and wool products. Deductions were one cent per pound for wool sold.

RENNA CLAIR BUCKINGHAM

Announced Engagement

Announcement has been made by Mr. and Mrs. William James Buckingham of New Albany, Miss., and Tuscaloosa, Ala., of the engagement of their daughter, Renna Clair, to Bernard James Wolfe, son of Dr. and Mrs. Marion Joseph Wolfe of Bay St. Louis and New Orleans.

The wedding is to be an event of June 1 at St. Francis Catholic Church in Tuscaloosa.

The bride-elect is a student at the University of Mississippi. Mr. Wolfe attended St. Stanislaus College and LaSalle Academy in New Orleans and is to be graduated this year from the University of Mississippi.

Science Students To Visit Southern

Sixty-five science students at Hancock North Central High School will go to Hattiesburg Friday to tour the new million dollar science building at Mississippi Southern College.

Demonstrations will be given in each department and a talk will be given by Dr. Dietrich Belscher, famed captured German scientist who prepared the two monkeys sent on trips into outer space.

Rebel Riders Win Additional Trophies

At the Southeastern Association Horseshows in Agricola, April 8 and 9 and at Helena, April 10 the Rebel Riders of the Lazy Y Stables amassed 19 ribbons and 5 trophies.

Led by Miss Betty Younger, W. G. Hinton, Cheryl Seuzeneau, Arthur and Pat Miller and Rip Kennedy were the riders making the trip. The Lazy Y Drill team will leave April 22 to attend horseshows at Pascagoula and Pritchard, Ala.

Rouse is pastor of the Wave-land and Clement Harbor Methodist churches.

Theta Rho Unit Plans Summer Social Schedule

Plans for a homecoming cake sale May 7 at Jimmy Jangle and a schedule of summer social activities were approved Tuesday by Theta Rho chapter of Beta Sigma Phi sorority when it met at the home of Mrs. E. V. Almes in Waveland.

Each member will donate two cakes, according to Mrs. Gramison Seiler, ways and means committee chairman, and anyone interested in donating cakes may notify her at HO7-5576.

A Founder's Day banquet has been set for April 30 with Mrs. Ben Hill Jr., social chairman, in charge. Activities for the coming summer months include a club picnic, barbecue and crab boil. The yearbook committee will meet with Mrs. Almes, chairman, April 29, to plan and outline the book. Pledge training was conducted by Mrs. Lionel Seiler, Mrs. Joseph Kersanac, president, presided, while Mrs. James Zimmerman, secretary, read the minutes.

The next meeting, a cultural and pledge training session, will be at the home of Mrs. Reuben Ruiz, who received the entrance prize.

Program on Africa Presented for WSCS

The morning circle of the Woman's Society for Christian Service of Main Street Methodist Church met April 13 in the home of Mrs. W. R. Pitts with Mrs. H. Hardin Shamuck as co-hostess.

A program was presented by Mrs. J. W. Clark assisted by Mrs. H. M. Wise and Mrs. W. L. Chevis on the Religions in Africa.

Payments of \$4,862.17 to health center contractor Roger Heitzmann on the recommendation of architects Oubre and Wagner and of \$236.13 to the Mississippi Forestry Commission for the planting of slash pine seed on 16th Section land were approved. The board also approved a \$149 application for federal reimbursement for previous 16th Section reforestation, a part of the joint federal-county reforestation project.

House bill No. 709 which provides for a 20 year loan program for road construction rather than the present pay-as-you-go plan was endorsed, but the board withheld official backing of bill No. 50, an automobile inspection safety measure.

Each supervisor declared himself in favor of any safety measure but several joined Beat 2 Supervisor I. M. Frierson in questioning the proposed inspection of the automobiles.

Frierson said that many autos now in use in the northern part of the county would be put off the road. These autos were the only means of transportation for many families, he noted, and were hardly ever driven on major roads. He also remarked that other items might be found in the cars which could be used to incriminate the auto owners.

Nine Prisoners Go Wednesday To Penitentiary

Nine male prisoners sentenced in the recent term of Circuit Court were picked up last night at Hancock County Jail by Mississippi State Penitentiary officials. Terms ranging from one year to life began on the date of sentence and will be served in the state penitentiary at Parchman.

White prisoners, their offenses and sentences are as follows:

M. L. Dedaux, grand larceny, three years to run concurrently with another sentence from Stone County; Bobby Slaydon, receiving stolen goods, burglary and larceny, one year each; Oliver Mitchell, burglary and larceny, one citation, and grand larceny, two citations, one year for each citation; Andrew Johnson, grand larceny, two citations, one year for each citation; and Floyd Henry Jessup, grand larceny and murder, life.

Negro prisoners are Alexander Bush, burglary and larceny, four years; H. L. Palode, assault and battery with means likely to produce death, one year; Neandale Gilman, grand larceny, three years; and Charles Gilman, Jr., grand larceny, one year.

Brignac-Perrault Rites On Weekend Social List

A prominent social event of this weekend will be the marriage of Miss Janet Ann Perrault of New Orleans to Edmond Brignac Jr. of Bay St. Louis and New Orleans at 11 a.m. Saturday at Our Lady of Good Counsel Church in New Orleans.

The Rev. Adrian Mercier of Our Lady of the Gulf Catholic Church in Bay St. Louis will perform the double ring ceremony.

Mrs. Louis Lemarie, cousin of the bride-elect, will be matron of honor. Bridesmaids will be the Misses Alice Bradford, Anna Clare Culver and Mary Wetzel.

To Fete Candidate

Mr. and Mrs. Joseph Plunkett will entertain with a party Saturday night for their daughter, Eileen, who is a candidate for May queen at St. Joseph Academy. Teenaged friends of the honoree are being invited to attend from 6 to 8 p.m. with the adults joining the group at 8 p.m.

Churchwomen Set Fellowship Day

The United Churchwomen of Bay St. Louis will observe May Fellowship Day with a service at 10 a.m. May 6 at Main Street Methodist Church. The women of the church will serve refreshments at a fellowship hour before the meeting. Mrs. Wallace Chevis, president, urged all women in the community to attend.

Ronald Thomas Is On Airborne Exercise

Army Sgt. First Class Ronald A. Thomas, 33, son of Mrs. Rachel E. Thomas of Pass Christian, is participating with other personnel from the 101st Airborne Division in Exercise Quick Strike at Fort Campbell and Camp Breckinridge, Ky. The exercise is scheduled to end April 16.

Thomas, an assistant platoon sergeant in Co. B of the division's 326th Engineer Battalion at Fort Campbell, entered the Army in 1948. He attended Piquette High School, his wife, Alberta, is with him at Fort Campbell.

(Cont. from Page 1) of staff to see if the county or some other public body might have a small dredge and to be able to dredge a shallow channel leading into the area.

Officials of the staff inspected the county's coastline in early March seeking a possible training site. In the past Ship Island has been used.

Armiger also forwarded a copy of the initial estimate of attendance at the training site from Aug. 14 to 20 by the nine units of the 377th. They include Hq. and Hq. Det. 377th Trans. Term. Comd. C from New Orleans commanded by General Morrison; Hq. 7513 Trans. staging area from Baton Rouge; Hq. and Hq. det. 348 T Bn. Term. from Houston, Tex.; Hq. 898 Trans. Co. (amph. truck) from Alice, Tex.; Hq. and Hq. det. 353 T Bn. Term. and Hq. 375 Trans. Co. (heavy boat), both from Beaumont, Tex.; Hq. and Hq. Det. 332 T Bn. Term. and Hq. 850 Trans. Co. (term. service), both from New Orleans, and Hq. 238 Trans. Co. (term. service) from Hope, Ark.

Their manpower includes 138 officers, 25 warrant officers and 671 enlisted men for an aggregate of 834. Dantagan noted that previously it was believed the outfit would bring 600 men to the county.

If the training site here proves successful, the chamber president observed that other units and possibly a station of the 4th Army might be established here. He cited the advantage it would provide for the county as well as economic benefits from having the men here for training and spending money in the area.

BEAUTY TIPS
by Mercedes Spahr
MERCEDES' BEAUTY SALON
Forest Ave., Clermont Harbor HO 7-5202

EXACTLY RIGHT FOR YOU
Since I have begun "Beauty Tips", one question comes up almost daily, IS the waving lotion really different at the beauty salon? Compare it this way: - Is the bottled remedy you pick from a drugstore shelf as exactly right for your condition as the medical prescription your own doctor gives you? We analyze your hair's texture and health just as your doctor analyzes your physical symptoms before he prescribes for you. Then, from our many permanent waves, we pick the one exactly right for your hair's present condition.

ONE DISAPPOINTMENT IS TOO MANY...
I'm so often asked if home permanents have hurt our business. Actually, I think they've helped. Only by experimenting with your own hair can you understand the full value of professional care. For it's a rare woman, indeed, who can really restyle her own hair. One disappointing home permanent will show you why we learn our craft so carefully—and why we constantly attend classes to improve our technique and work on new styles in an ever changing hair style world. So, next time, come to us... for results you know you will be proud of. - MERCEDES BEAUTY SALON, FOREST AVENUE, CLERMONT HARBOR. HO7-5202.

TIP FOR THE WEEK...
Sponge yourself with your favorite cologne. Use a big foamy sponge. Mix your own special fluid - one part cologne, two or three parts water—if you had rather not use up quite so much fragrance. This refreshing trick is extra nice in hot weather, especially when you use ice cubes with your cologne.

FROM UNDER THE DRYER...
Many people think they are thinking when they are merely rearranging their prejudices.

fashion-magic bra

It's true. At last there is an
uplift bra that really conforms to your
personal contour. The secret? Revolutionary
stay-firm underlift panels under each cup
lift you firmly from beneath. The top
of the panels is left free to conform to your
very own contours. Your figure is lifted
gracefully, naturally, comfortably—
personalized uplift that lasts for the life
of the bra, even if machine washed.

Bay High Campus Queens Christy Torgerson, Kay Dorich, Lynn Rose, Carol Bourgeois, Ann Morreale, Carol Johnson, Margaret Pulizzano and Vidalia Schultz.

Bay High Campus Queens Selected

Eight Bay High coeds were named Campus Queens in a student-wide vote yesterday morning.

Beautiful, brainy and with "personality plus", the girls are the students' choices as representatives of Bay High.

Selected from a field of 20 nominees were Carol Johnson and Ann Morreale, seniors; Margaret Pulizzano and Vidalia Schultz, juniors; Carol Bourgeois and Lynn Rose, sophomores; and Kay Dorich and Christy Torgerson, freshmen.

Each class nominated five girls and two class representatives were selected by popular vote. Also vying for Queen titles

were Lynne Hall, Diana Manning and Myrna Quarterman, seniors; Virginia Breland, Aline Hobbs and Edith Trank, juniors; Nita Kay Erwin, Kathleen Schaefer and Penny Sue Webre, sophomores; and Diane Dickson, Karen Lewis and Leslie Stevens, freshmen.

Dairy Judging LSU Man to Address Sideliners' Banquet

Hancock North Central's district winning dairy cattle judging team leaves Friday for Mississippi State University to compete against 15 other district winners for the state title on Saturday. The winner goes to the national competition in Iowa this summer. The local outfit won the state contest last year and made the trip.
Members of the team are Carl Moran Jr. and his brother, Lowell Moran, Nelson Stockstill and Douglas J. Necaise. They will be accompanied on the trip by D. J. Martin, vocational agriculture teacher at North Central and sponsor of its Future Farmers of America chapter.

N. Central Sets Pre-School Day

Pre-school day is planned at North Central School next Friday, April 29, Principal R. E. Webb has announced.

All students who will be entering school for the first time next fall are requested to attend, along with their parents so that pre-registration can be completed. Lunch will be provided in the school cafeteria.

Eligible are children who will be six years of age on or before Jan. 1, 1961. They are to take with them their birth certificates.

The pre-registration is de-

Carl Maddox, director of the new student union at Louisiana State University, will be guest speaker when the St. Stanislaus Sideliner Club holds its annual athletic banquet at the school May 11.

backfield coach at LSU, a post he held since 1954. Before that he established for himself quite a reputation as a prep coach. He was at Franklin High in Louisiana from 1933 to 1935 and at Gulf Coast Military Academy from 1935 to 1942, before joining the armed forces during World War II. He was commissioned as an officer in the Navy in 1943, serving for two years in the Pacific as a lieutenant junior grade aboard motor torpedo launches. Upon release from active service in 1946, he accepted a coaching position at Greenwood (Miss.) High School and moved on to Greenville (Miss.) High in 1950.

During his 14 years of coaching Maddox has compiled an amazing record of winning 83 per cent of his games.

MINUTES OF HANCOCK COUNTY BOARD OF SUPERVISORS MARCH TERM A. D. 1960

BE IT REMEMBERED that a regular meeting of the Board of Supervisors of Hancock County, State of Mississippi, was begun and held at the Courthouse thereof, in the City of Bay St. Louis, Mississippi, on Monday, March 7th, 1960, at 9:00 o'clock A. M. There being present: R. G. Hubbard, Jr., President; Chas. A. Russ, Jr., I. M. Frierson, Charles Lavinghouse and James Necaise, members; Gerald V. Price, Sheriff and C. J. Ladner, Clerk of the said Board.

PAY ARCHITECT ESTIMATE #10 PERRILLIAT-RICKYCONSTR. ESTIMATE 310.

On motion of Supervisor Russ duly seconded by Supervisor Necaise the Clerk of this Board is hereby authorized and directed to issue warrant out of the Hospital Building Fund and payable to W. W. Dawson and Gulf Cities Corporation in the amount of Three hundred twenty three dollars and eighteen cents (\$323.18) in payment of Estimate #10.

IT IS FURTHER ORDERED that the Clerk of this Board issue warrant out of the Hospital Building Fund and payable to Perrilliat-Rickey Constr. Co., Inc., in the amount of Twenty two thousand and eight hundred ninety two dollars and twenty cents (\$22,892.20), in payment of Estimate #10. The above motion was unanimously carried by the Board.

DONATION - RED CROSS

On motion of Supervisor Frierson duly seconded by Supervisor Russ the Clerk of this Board is hereby authorized and directed to issue warrant in the amount of \$200.00, payable to the American Red Cross, to be paid out of the General County Fund, as a donation.

The above motion was unanimously carried.

PAY ROGERHEITZMANN, CONTRACTOR CERTIFICATE 32

On motion of Supervisor Frierson duly seconded by Supervisor Necaise the Clerk of this Board is hereby authorized and directed to issue warrant payable to Roger Heitzmann, contractor, in the amount of Nine Thousand, Three hundred eighty-nine Dollars and seventy-five cents (\$9,389.75), said amount to be paid out of the Health and Sick Fund, payment of Certificate #2.

The above motion was unanimously carried.

PAY PEARSON MOTOR COMPANY TRUCK - DISTRICT FOUR

On motion of Supervisor Frierson duly seconded by Supervisor Necaise the Clerk of this Board is hereby authorized and directed to issue warrant out of the Road and Bridge District Four and payable to Pearson Motor Company in the amount of Three thousand

and, four hundred ninety-five dollars (\$3,495.00), for the purchase of a truck to be used in District Four, said bid was accepted on the 15th day of February, 1960. The above motion was unanimously carried.

CHANGE OF PROGRAM IN STATE AID SYSTEM OF ROADS IN HANCOCK COUNTY

There came on for consideration the matter of certain changes in the State Aid Road Program for Hancock County, and the Board having duly considered the matter finds that two roads, or part thereof, which were previously designated to be constructed under the State Aid Road Program, should be deleted or removed from said program, and that another road in lieu thereof should be substituted for said deleted roads; The Board further finds that said two roads to be deleted and the reason for deleting them are as follows:

1. The Smith Road: Beginning at the intersection in SE 1/4 Section 22, T-6-S, R-16-W on the Mill Creek Road approximately 1.5 miles east of the junction of the Flat Top Road and the Mill Creek Road, thence north to the Pearl River County line, a distance of 1.0 miles.

This road has been regraded and surfaced within the past two years, using county funds, and it will be several years before any maintenance is required.

2. The Leetown Road: Beginning at a point where the Kiln-Picayune road turns west in SW 1/4 Section 9, T-6-S, R-15-W, junction on FAS Route #104, and extending in a northerly direction to the intersection on the Caesar-Necaise Crossing Road in NE 1/4 Section 29, T-5-S, R-15-W a distance of approximately 3.5 miles.

Reason: The above described road has been regraded, necessary drainage structures installed and surfaced within the past two years, using County funds. Said road is in good condition and will require very little maintenance within the near future.

The Board further finds that a road known as the Texas Flat Road should be substituted in lieu of the previously described roads to be deleted, and that said Texas Flat Road is further described as follows:

A road known as the Texas Flat Road and beginning in NE 1/4 Section 21, T-7-S, R-16-W, on F.A.S. Route #126, and extending in a southeasterly direction to intersection of the Kiln-Bay St. Louis Road (FAS Route #107) in NW 1/4 Section 6, T-8-S, R-14-W, a distance of approximately 10.7 miles.

The Board further finds that Hancock County was originally allotted 89.8 miles of roads under said program and at present has 82.8 programmed, and that the deletion of the two roads above described will thereby remove 4.5 miles and thus reduce the

amount programmed that this action on the Texas Flat Road will make a total of 85.3 miles which is within the allotment.

The Board finds that a mail route and a wood area and consists of approximately 200 vehicles increase if said road is deleted.

Whereupon the Board moved that the State Aid Road Program be requested to delete the Smith Road and Leetown Road as described from the State Aid Road System and add the Texas Flat Road as described to the system.

The motion of the foregoing was seconded by Supervisor Necaise and unanimously carried.

PLANTING A NEW TREE FARM SIGN - It's a family affair with the Clyde Brooks when they plan the location of a new tree farm sign on their 1,100 acres of timber land near Ne-casse Crossing.

Tree Farm Hopes Of Clyde Brooke

A small weekend cabin centered among 1,100 acres of timber near Ne-casse Crossing represents a retirement goal for Clyde Brooke, his wife, and 12 year-old son, Judd, of New Orleans and Houston, Texas.

"I told my wife if we couldn't find a house in New Orleans, I was going to buy a farm. I'm afraid I tricked her though since I had my eye on this place when we were house hunting," Brooke laughed.

"We bought 140 acres in 1952 and have added slowly over the years," he commented.

The one room cabin, built in 1954, is well equipped even though the Brooks refer to their tree farm as "roughing it." "We try to be prepared in case we have to stay over as Judd and I did once when the creek rose over our roadway," Brooke said.

A Coast Electric power line was connected to the cottage last year. They plan to add a screen porch to the cabin this spring.

"We couldn't operate the farm without the help of our neighbors," says Brooke, who is employed by the Pan American Petroleum Corporation. "They have been wonderful to us and keep an eye on the place when we're not here."

"I've planted 300 acres in pine and have 400 more to go. About 300 acres are planted with volunteer seedlings. The first year I had 1,500 trees planted by machine. I'd estimate about 1,032 trees to an acre, planted six to seven feet apart. In 1957 I planted the maximum, 8,800," he said.

The pine seedlings used to replant the acres are purchased from the Mississippi Forestry Nursery at Mt. Olive.

"I don't plan to sell any of the timber for about 5 years," says Brooke. "Our main goal is an income when we retire."

"Yes," laughed his wife, "we're doing what the old-timers call, laying-it-by. Seriously, though, we plan to get a 10 per cent return on our investment, although some tree farmers speculate on a 25 per cent return."

In 1957, Brooke received the Hancock County Award given by the Sears Foundation Forestry Contest for improvement on a five acre tract.

"I don't have much time to relax when we come over," says Brooke. "If I'm not getting rid of Black-jack oak, I'm clearing for additional planting. I use a jeep to cover the farm and check the fire line which is about 50 feet wide and protects most of the property."

"Then there is the removing of wolf-trees, old oaks which overshadow young pine, and selective cutting of the pine for better overall growth. I use a commercial spray to kill the hardwood on the property by just attaching a sprayer to the back of my jeep and using it as I drive over the land."

"We haven't been bothered too much with disease so far," he added.

"Very little of the acreage is fenced and there is a constant danger from brush fires, although I'm sure that the fire lines would help, but I don't think they would stop a major fire. I certainly hope I never have to test them," he said.

"There is a variety of trees on the property. slash, long-leaf, loblolly and field pine sprinkled with spruce and the major trees and of course, magnolia and dogwood."

Located approximately a mile from a main road, the Brooke farm borders Hickory Creek, an inviting spot for a fisherman. "It's an ideal location," the Brooks agree.

"This section reminds me a lot of my hometown, Conroe, Texas, the biggest thicket in East Texas. I guess that's one of the main reasons I like it here," says Brooke.

Peterson Hits Homer Chapman But Tigers Beaten Repeats in Mallory Cup

A home run with one on by centerfielder John Peterson brought Bay High's cheering section to their feet in the fourth inning but it wasn't enough and the Tiger nine dropped a game Tuesday to Carriere there 12-5. The Tigers will be gunning for revenge Friday afternoon when they entertain Carriere in a return game here.

Errors and wild pitching cost Coach Lance Lumpkin's side the game, Carriere getting only 2 clean hits and making 2 errors while the Tigers smashed out 6 hits but were charged with 11 errors.

Bill Watts started on the mound but couldn't get the ball over and was yanked in the first inning. Barry Stephens took over but gave up 1 run on 2 hits while his teammates made 8 errors. Stephens went to the showers in the fourth and Milton Bernard stopped the scoring for the remainder of the game without a hit or base on balls. Ronnie Peterson went the route behind the plate.

Bill Watts got 2 singles and drove in 1; Paul Miller got 2 hits and scored 1 while Gerald Favre got a single. Five of Carriere's men were hit by pitched balls, two scoring. Tiger pitchers also gave up 4 walks and 5 runs were charged to Tiger errors. Lumpkin said Wednesday his boys have been working hard but apparently had a bad day and expects to have a different story after Friday's game.

Score by Innings:
Carriere 1 4 6 1 0 0 0-12
Bay High 0 0 2 2 1 0 0-5

Girl Scout News

Plans are now being finalized for the annual Court of Awards to be held in the auditorium at St. Joseph's on May 12.

Mrs. Willys Rhodes, cookie chairman for the Bay St. Louis neighborhood, has announced that the sale in this area was a tremendous success. Local Brownies and Scouts sold a total of 4,416 boxes. Troop honors went to Mrs. Price Western's Troop 100 which sold 624 boxes.

Girls in Troop 120 enjoyed a trip to New Orleans Monday. They were visitors aboard the Delta Line luxury liner Del Mar, being given a guided tour of the ship and taking part in dockside festivities as the ship sailed for South America. Making the trip were Scouts Sarah McFarland, Pam Pfeiffer, Della Shuyou, Debbie Weeks, Ellen Western, Diane Bandaret, Betty Carol Hill, Connie Geiger, Kathleen Maloney, Jeanne Rutherford, Jan Osoinach, Becky Adams, Diane Bullock.

Library Book Review Set on Long Volume

A book by a former owner and editor of The Sea Coast Echo will be the subject of the second book review in a series of three sponsored by City-County Memorial Library at 8 p.m. April 28.

Mrs. E. C. Samuel of Waveland will review the book The Longs of Louisiana, written by Stan Opatowsky and published last month.

Previewed earlier in this newspaper, the book is a lively and absorbing account of one of America's most remarkable families, which within the span of a single generation, fashioned a political dynasty that, despite its various ups and downs, was as durable and long-lived as any in America politics since the Adamses.

A veteran newspaper reporter, Opatowsky operated the Echo for two years in the early 1950s with his brother, Mel, before selling it to join the New York Post for which he has covered many of the top news stories of recent years, including the Poplarville lynching.

E. P. Dutton Co. is publisher of the volume. Admission to the review is \$1 or by season ticket.

FOR GOOD WASHING

Sort your clothes according to

color, fabric and degree of dirti-

ness. These determine how hot

the water is you use, how long

you wash and the type of agita-

tion.

Check pockets and cuff, shake

out loose dirt. Dust, sand, paper

tissues and many other soils in

wash water will settle on slightly

dirty clothes and make them

appear dirtier. You'll have fewer

laundry problems if you remove

such before you put the clothes

into the water.

Follow directions for removing

stains. The quicker you treat

a stain the more likely you are

to remove it. Remove stains be-

fore you wash the articles. If

you don't know what caused the

stain, wash in cool water before

you try other treatment.

Pretreat special soils before

washing. Eggs, milk, meat and

other proteins will set in fabric

at temperatures recommended

for washing white materials. Rub

the detergent you use for wash-

ing into badly soiled parts, as

collars, grease spots on aprons

and the grimy seats of small

children's pants. Dampen spots

first. Apply the detergent and

scrub with hands, brush or on a

board. Dirtiness and grime will

often disappear after this treat-

ment.

FOOD HINTS

For extra delicious rice, with

added flavor and nutrition, try

adding a bouillon cube to the water

in which you cook the rice. Or use

beef bouillon or chicken broth in

place of the water.

It takes two hours to bake a

1 1/2-quart casserole of frozen

food in a 350 degree F. oven,

or to thaw a frozen cake, pudding

or loaf of unsliced bread at room

temperature.

Most vegetable shortenings

and oils will keep indefinitely on

the cupboard shelf. In the re-

frigerator they get cloudy and

separate. This doesn't hurt

quality, but let the oil get back

to room temperature before you

use it.
